Able2Extract Professional 19
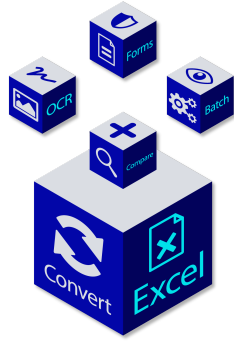

Everything PDF: Convert, Create, OCR, Edit, Compare, Sign PDFs & More

Product Overview

Your Need:

To save time and increase productivity with a secure and reliable PDF solution that can handle all PDF tasks in your workflow.

If your work calls for quick and accurate extraction of PDF data into formatted MS Excel spreadsheets, AutoCAD formats & editable MS Word, and you need layered file security with password protection and digital signatures, along with PDF text and content editing, and interaction with PDF forms, look no further.

The Solution:

Able2Extract Professional delivers accurate conversion of native and scanned PDFs to editable MS Office (Word, Excel, PPT), AutoCAD, HTML, images and more, while ensuring that the original layout and formatting remain consistent after conversion.

Besides seamless PDF conversion, Able2Extract Professional allows users to batch create multiple PDF files at once, deal with interactive PDF forms, edit and customize PDF content and pages in many ways, and sign PDF documents with electronic and digital signatures.
